			CIS Task Force (HS) (Community Service Club) 3:30 - 5:30pm Rm 204 (Mrs. Joseph-Griffiths and Mr. K)	

Debate Club (Middle Schoolers only)

Interested in current events, politics, and social issues? Do you want to understand how to win an argument, but also how arguments work? Join Mr. Langley and Mr. Cox (from PS 58) for our weekly debate club. You'll research issues, learn the format and fundamentals, and compete in debate competitions against each other and students from other schools.

Yearbook Club (Middle Schoolers only)

Students will help design the Middle School Yearbook, which will feature portraits of 6th, 7th, and 8th graders as well as photos of activities and school events from throughout the year. Students will learn how to use online software to design page spreads and layouts, brainstorm ideas for content, come up with plans to market the yearbook to collect preorders, and photograph important moments from our school year. Students will also conduct interviews and surveys as well as collect quotes and photos from the BHS community. Yearbook club members will also be an integral part of deciding on the cover and theme of this year's book.

Early Bird Basketball/Soccer

Come enjoy some movement and join our early bird sports and fitness club. All are welcome to come shoot hoops with friends, enjoy a pickup game or get in an early morning workout before school.

Biology Support Club

Do you need extra help in biology class? Want some extra time to finish your work? Need to make up that missing lab? Want to do some practice Regents problems? Come to Biology support club. Every Thursday you can get all the extra support you need.

Gamerz Den

Gamerz Den is a club that gives students an opportunity to compete against each other or work together in a variety of physical and digital games. Whether you enjoy board games, videos games or something in between this club provides a space for students to get to know each other through their common interests and hobbies. We meet every Tuesday from 3:30 – 4:30 with an emphasis on game design, teamwork and self-improvement.

HS Math Support (High Schoolers only)

HS math support club is open to anyone who wants to do some math! This club is to help each student increase their mathematical confidence and knowledge. Come join in room 221 whether you need help on your math homework, want to study for an upcoming assessment, or want to solve fun math puzzles.

MS Math Support (Middle Schoolers only)

Want a space to do homework? Need support with something from class? Are you in 6th or 7th grade? Come to Room 132 on Wednesdays 3:30-4:30! No appointment necessary! There will be snacks! And math! Who could ask for more?!?

MS Open Art Studio (Middle Schoolers only)

The Middle School Art Club will provide time, space, and materials for artists to pursue their passion to create. Projects will vary depending on student's interest, but could include sculpture, textiles, drawing, painting, and printmaking. Students are encouraged to ask Ms. Egan any questions or share their ideas: aegan4@schools.nyc.gov

My Sister's Keeper (MSK) (High Schoolers only)

My Sister's Keeper (MSK) is an inclusive space that empowers and engages young womxn through networking, relationship building, and mentorship. MSK builds confidence in young womxn, supports them to and through college, and curates a safe learning environment where young women and girls can create deep and lasting friendships.

MS/HS Improv Theatre

This club allows students to expand their sense of creativity and play through improvisational games and scene work. Each week will showcase a different style or activity in improv theater. Students will work toward presenting improvised scenes for the Club Showcase in January. This club emphasizes fun and spontaneity for students.

Plays of Our Lives

Students will create original works based on stories from their own experiences. This workshop based group allows students to examine parts of their lives they would like to showcase or explore in a community setting. Students will create performances through storytelling, staging, and devising their own pieces together. This collaborative process builds community and creativity.

Self Esteem Rising:

Students come together to promote self esteem through group activities geared toward community building and mutual support. Students will learn communication strategies and self advocacy skills through arts based activities and self expression.

LGBTQIA+ Club

LGBTQIA+ club is a safe space for queer students and allies to be themselves, build community, and have fun! During club meetings we will play games, share space, plan for Pride events, and connect with each other. We will also aim to be advocates for ourselves and our fellow queer students, so that we can create a vibrant, active, and respected BHS LGBTQIA+ community. During the year, we will also take some trips together to connect with the broader LGTBQIA+ community in and around NYC. Join us as we strive to make BHS a place that feels safe and welcoming for all students no matter who they are or who they love!

CIS Task Force (MS and HS)

Want to help out with CIS activities behind the scenes? Want to learn valuable organizational skills? Just want to rack up community service hours that will look good on your transcript and resumes? Join the CIS Task Force in Room 107D! It's held during lunch for middle schoolers and after school from 3:30 to 5:30pm for high schoolers. Snacks will be provided.

HS Creative Writing

The BHS High School Creative Writing Club is a haven for wordsmiths and imaginative minds. Whether you're an avid storyteller, a poet in the making, or someone who simply enjoys playing with words, our club is the perfect space for you to explore and express your creativity. Our goal as a group will be to help each other to grow as creative writers by sharing our work with each other and providing supportive and caring feedback.

Track/Pickle Ball

At BHS track club we believe in providing equal opportunities for everyone to participate and enjoy the sport of Athletics, where all are safe, welcome, and have a sense of belonging. We believe in friendly competition and respect by participants for club rules and policies, thereby fostering positive relationships with members, volunteers donors, and sponsors will enable our success. Scholars will not only do relay races (games), but also learn about running and get exposure to various aspects of track and field. Like throwing the Javelin (turbo javelin), discuss and the shot put.

Student Newspaper

Do you want a voice in major school issues? Join the Phoenix to represent the students, report on major issues, and create online design skills in representing the student body.
